

## Open House Set for Monday, August 14

Last Updated Tuesday, 08 August 2017

RCA will welcome back parents and students when the school hosts an open house on Monday evening, August 14.

Additionally, orientation sessions for parents are scheduled. Parents may choose which orientations session to attend (the same information will be presented in both sessions but are grade-specific). Some parents may opt to attend one orientation for one child and session #2 for another child. Parents are highly encouraged to attend. The meet and greet session will give parents an opportunity to visit all classrooms.
