

RCA to Sponsor Hope for the Hungry

Last Updated Friday, 03 November 2017

RCA's annual Hope for the Hungry food drive begins Wednesday, November 29 and will conclude on Wednesday, December 13.

Students and parents are encouraged to bring in non-perishable food items which will be used to help those families in need. Please bring items into your student's classroom. RCA's students and families always do an outstanding job in giving toward this project. Thank you for your willingness to bless others with what you have been blessed.
